Signs In the Rearview Mirror: Leaving a Toxic Relationship Behind

AUSTIN, TEXAS, April 3, 2018 —Sunny Day Publishing, LLC is pleased to release *Signs In the Rearview Mirror: Leaving a Toxic Relationship Behind* by Kelly Smith, now available on Amazon.

What kind of person ends up in a toxic relationship? And why does she stay? This searingly honest novel answers both those questions head-on. Coming out of a failing marriage, Kelly turns to Gabe out of fear of being alone. Her gradual slide into danger is at once terrifying and inevitable, and the steps she takes to get out of it will both inspire and offer hope.

Boston born and raised, Kelly now makes her home in Austin with her three sons and one amazing Giant Schnauzer, Bullseye. Kelly has written for Huffington Post, blogs at Thoughts Becoming Words, and hosts a podcast, Let's Get Wicked Deep. Find her at thoughtsbecomingwords.com or follow her on twitter at [@kellys_author](https://twitter.com/kellys_author)
