BOOK RELEASE

My Christmas Story Story

LAKEWOOD, OH, November 8, 2022— Sunny Day Publishing, LLC is pleased to release *My Christmas Story Story* by Sue Stewart, now available on [Amazon](#).

Author Sue Stewart is a life-long Clevelander. After retiring from a career as an Executive Secretary, she and her husband Bob became world travelers. Days before her brother Jim passed, Sue promised to share the cherished stories and personal photos they collected while *A Christmas Story* was filmed on their street. This book fulfills that promise.

Imagine if an iconic movie was filmed a few doors down from the house you grew up in, in a house you played in throughout your childhood and partied in as a teen. Author Sue Stewart tells what it was like when *A Christmas Story* was filmed on her old street, where her brother Jim was still living. The filming was a neighborhood endeavor, with Sue's friends and family— even her young daughter! snagging parts as extras in the movie.

Never-before-seen photos and never-before-told stories are collected by a woman whose own childhood neighborhood was recreated for the big screen one snowy Cleveland winter.

Sunny Day Publishing, LLC is an independent publisher of fiction, personal improvement, and children's books, established in 2009. sunnydaypublishing.com
