## **BOOK RELEASE**

### ***Rainbow Girl***

**Willowick, OH, May 26, 2022**— Sunny Day Publishing, LLC is pleased to release *Rainbow Girl* by J. Joseph Thomas, now available on Amazon.

Uncle Julie's Barbershop offers more than a haircut. It's where neighbors congregate to eat, gossip about the goings-on in their beloved Little Italy, and chat with bright and beautiful barber Luci. When a handsome local takes up residence in the apartment at the rear of the barbershop, sparks fly between him and Luci. After an estranged wife and a mystery man from the past try to split the two apart, the barbershop regulars take action. But they'll find that winning Rainbow Girl back won't be easy.

Author, J. Joseph Thomas, was an educator for thirty years and is a native Clevelander. *Rainbow Girl* is his second novel.

*Sunny Day Publishing, LLC is an independent publisher of fiction, personal improvement, and children's books, established in 2009. [sunnydaypublishing.com](http://sunnydaypublishing.com)*
