BOOK RELEASE

Complicit

Willowick, OH, February 23, 2026— Sunny Day Publishing, LLC is pleased to release *Complicit* by J. Joseph Thomas, now available on Amazon.

In the quiet lakeside town of Silver Lake, the past is never truly still. When Dr. Callum Shaw returns seeking peace, he's instead drawn into a slow unraveling of secrets that were meant to stay buried.

As whispers spread and long-guarded truths begin to surface, Callum finds himself at the center of a reckoning. What begins as a search for clarity becomes a deeper descent into betrayal, silence, and the chilling realization that guilt never fades, it lingers in the places we least expect.

Complicit is a haunting, atmospheric mystery about what we bury, what we protect, and the price of looking away.

Author, J. Joseph Thomas, was an educator for thirty years and is a native Clevelander. *Complicit* is his third novel.

Sunny Day Publishing, LLC is an independent publisher of fiction, personal improvement, and children's books, established in 2009. sunnydaypublishing.com
